

## **AGENDA 26 – 27 September 2023**

### **Deventer, The Netherlands**

#### **Deventer**

Deventer is a beautiful and pleasant Hanseatic city in the province of Overijssel. The historic inner city and unique river landscape make a visit to Deventer absolutely worth the effort.

#### Tourism

A welcoming Hanseatic City on the IJssel river: that's Deventer. In the city and its surroundings there are many sights to be seen, including the city hall with its very special architecture. Discover the city's rich history, experience the many events happening or join a city walking tour. For more activities visit [www.deventer.info](http://www.deventer.info). Deventer can be reached by bus or train. Amongst others, there are direct trains to and from Amsterdam and Berlin.
